

Refer a Family to St. Joseph School

*We were referred to St. Joe's by the Kasun family. My husband has known Josh and Jenny for many years. When we mentioned we were looking for a school for Claire (4K), they raved about St. Joe's and invited us to Mass. We started attending Mass at St. Joe's and joined the parish a few months later. When Claire was 3, Jenny invited us to the Catholic Schools Week Open House. She met us at the door and gave us our "official" tour of the school, and we knew it was the right place for our family. We just had such a warm feeling walking the halls. The rest is history... The Mallinger Family

Has a new family moved into your neighborhood? Do you have friends or neighbors with school-age children looking for a great school to send their children to, a school that is both

“Faith Centered and Future Focused”?

We are looking to reach out to prospective new families and would welcome your help! Please take the time to encourage new families to learn more about St. Joseph Catholic School. Share some of the many great features of our school with prospective families and invite them to contact the school to arrange for a tour.

If the new family registers and identifies your family as the “referral family,” you will receive a gift certificate for \$50 in SCRIP gift card(s) of your choice.

Thank you for continuing to support SJS!
