January, 2012

Dear St. Joseph School Families,

Next week the students and faculty at St. Joseph School will be busy celebrating Catholic Schools Week. There are so many wonderful activities planned as well as two service projects to help those who are less fortunate. The week will start with the faculty, students, and families joining in the celebration of Mass on Sunday at 10:30AM. We will take this opportunity to thank the entire parish community for its continued support of our school. **Without this support the cost of your child/children's education would be significantly greater.**

During Catholic Schools Week we begin our registration process for the coming school year. I know that all of our families are making many sacrifices to enable their child/children to attend our school. St. Joseph School is committed to continually provide a program that focuses on academic excellence and strong faith development for all students. Our school is continually recognized throughout the community for the accomplishments of our students and alumni. St. Joseph School received many commendations from our accreditation visit this past November. In addition, we are a school that stands out in the Archdiocese of Milwaukee and has been awarded Exemplary Recognition in the area of Mission, Community, and Climate. A day does not go by at St. Joseph without feeling a sense of amazement and gratitude for the students, faculty, and families.

The School Committee presented our budget and the projected tuition schedule for the 2012-2013 school year. The Finance Committee approved the tuition schedule for next year (see attached). I am very happy to announce that we will **NOT** be increasing tuition next year. The School Committee along with the Parish Council **DOES** ask each family to **honor** your Stewardship Pledge amount.

Please complete the attached registration form along with your registration fee of \$100.00 for one student or a total of \$200.00 for families who have more than one child enrolled next year. I ask that all registration forms be turned in by **Monday, February 13th**. It is so important that you turn these forms in on time. We already have interested families inquiring for next year. We will be accepting new family registrations on February 13th. I want to make sure that our existing families have a spot. Please contact the office if you have any questions or concerns. After your registration form is turned in, you will receive a tuition contract and a SMART Tuition form from the parish office.

Thank you in advance for your continued support and commitment to our school. I look forward to the second half of our school year and working with you and your family.

Sincerely,

Ms. Cooney
Principal
