

# Why Choose St. Joseph Catholic School?

*As told by parents and grandparents of St. Joseph Catholic School Students*

Religion and God are present in every facet of the education and atmosphere of St. Joseph Catholic School. Our children are educated with faith, love and excellence. The families and teachers of St. Joseph Catholic School are like family to us. The support from fellow parents is unique, and the teachers treat the children like their own. I can't imagine being as happy anywhere else!

*Beth Anne Bongert*

The exceptional leadership, dedicated teachers, and supportive families make St. Joseph School truly special. There is a perfect balance of play, academics, and the arts, which was so important to our family as we were deciding on the best school for our children. The amazing teachers integrate faith into meaningful lessons that spark excitement and focus on student understanding. Our son is eager to go to school every day, and we are so grateful for a loving school environment that feels like home!

~ Stephanie Jakubowski

St. Joseph Catholic School is helping me build well-rounded, generous, and kind children, and I am very grateful for that.

*Amy Ford*

St. Joseph Catholic School is a wonderful school with passionate teachers, engaged parents, and a strong parish backing. My two children have flourished academically, spiritually, and socially. They are better kids as a result of going to school at St. Joseph Catholic School.

*Eric Murray*

*As a parent of two alumni and a grandparent of two current and two future students, I want to say, "Thank You!" St. Joseph Catholic School not only prepares each student academically, it also teaches them to be helpful, loving, and aware individuals both in their school community and in the larger community around them. St. Joseph Catholic School prepares each student to be the kind of adults we need and want to see in the future.*

*Linda Slawinski*

**St. Joseph Catholic School has helped shape four of our five children by giving them quality educations. More importantly, however, it has taught them that they are the hands and feet of Jesus. I look forward to entrusting our youngest to the fine staff and to our St. Joseph Catholic School family!**

*Ann Archibald*

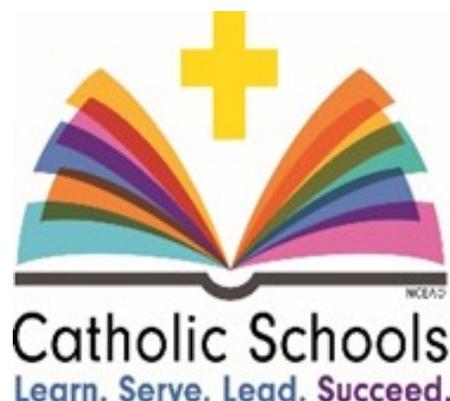

Moving from St. Joseph grade school to Divine Savior Holy Angels was an exciting yet anxious time. Aside from that, I was very academically prepared for my high school transition because of my amazing teachers from K4 up until eighth grade. My eighth grade English, literature, and theology teacher, Mr. Barth, prepared me the most because of the Writer's Workshop program. Writer's Workshop was not necessary, but he wanted to do it, so we were prepared for high school like I was. It helped during this year's English conference where I was told that I had great English skills. I also succeeded in Theology because of his challenging class work and tests. The dedicated staff and faculty always encouraged me to strive for the best I could do and also helped me grow in my faith. Thanks to the St. Joseph teachers for helping me build a strong foundation and faith.

SJ, Class of 2019

DSHA, Class of 2023

**Community. This is why we attend St. Joseph Catholic School. Each and every family cares about the future of the school, the church and, most importantly, our children.**
